LB 73, 366, 410, 465,  
LB 350, 503A, 605, 608

SPEAKER NICHOL: LB 350 advances. Before we go on to LB 366, Senator Rod Johnson has 55 ninth grade students from the Aurora Junior High at Aurora, Nebraska, who are in the Social Studies class there and they have with them Mr. Bruce Ramsour, Mr. Jim Farrand, who are the teachers and would you please welcome them to the Legislature. They are in the South balcony. We will move on to LB 366.

CLERK: Mr. President, if I may, right before we go to that, a new A bill, 503A by Senator Schmit. (Read by title for the first time as found on page 1164 of the Legislative Journal.)

Appropriations reports 605 to General File; 410 General File with amendments; 608 General File with amendments. Senator Eret would like to print amendments to LB 73; Senator DeCamp and Vickers to 465 and Senator Hoagland asks unanimous consent to add his name to cosponsor to LB 350. (See pages 1164-1169 of the Legislative Journal.)

SPEAKER NICHOL: No objections, so ordered.

CLERK: Mr. President, LB 366 offered by Senator Rod Johnson. (Read title.) The bill was read on January 17, referred to Public Works, advanced to General File. There are Public Works Committee amendments, Mr. President.

SPEAKER NICHOL: Senator Schmit, on the amendments.

He has amendments which he would like to offer either today or later on, I'm not sure which, which makes the committee amendments unnecessary so at this time I am going to do something unusual. I move to reject the committee amendments.

SPEAKER NICHOL: Okay, the question is the rejection of the committee amendments. If you wish to support that please vote aye. If you wish to reject that, vote no. So the motion is to reject the committee amendments. Record, Mr. Clerk.

CLERK: 25 ayes, 0 nays on the motion to reject committee amendments, Mr. President.

SPEAKER NICHOL: The committee amendments are rejected. Senator Rod Johnson, on the bill.

SENATOR R. JOHNSON: Mr. Speaker, I thank Senator Schmit for withdrawing the committee amendments. I will offer
